Summary

Data analyst who explains numbers to people who do not like numbers.

Experience

Data Analyst

Aurora Retail · Timișoara, Romania
Oct 2019 – Present

Analyse sales and customer data for 60 shops.

- Automated the weekly sales report, saving six hours of manual work.
- Created a store ranking model used in yearly planning.

Junior Analyst

Delta Consulting · Timișoara, Romania
2017 – 2019

Prepared reports for telecom clients.

- Cleaned and merged survey data from five countries.

Key Achievements

- Built a churn dashboard that the retention team now uses every Monday.
- Found a pricing error that was costing 4% of monthly revenue.
- Trained 30 colleagues to write their own SQL queries.

Education

Bachelor's degree, Statistics

West University of Timișoara · 2013 – 2017

Certifications

Microsoft Certified: Data Analyst Associate

Microsoft · Feb 2021
