About me

UX designer who works from user research to shipped interfaces. Comfortable with both quick prototypes and detailed design systems.

Experience

Senior UX Designer

Fieldnote · Iași, Romania
Jun 2020 – Present

Design lead for a note-taking app with 200,000 users.

- Redesigned onboarding, lifting day-seven retention from 31% to 44%.
- Built a design system used by four product teams.

UX Designer

Studio Pixel · Iași, Romania
Feb 2017 – May 2020

Designed websites and apps for small businesses.

- Ran 40 usability tests across 12 client projects.

Education

Bachelor's degree, Industrial Design

Gheorghe Asachi Technical University · 2013 – 2017
